

CSI Height/Weight Waiver Eligibility Form

_____ has applied to The Citadel Success Institute (CSI). CSI is a four week program that prepares incoming freshmen for their transition to the cadet lifestyle. The above-named applicant does not currently meet the height/weight requirements to participate in CSI without a height/weight waiver.

To be eligible for the waiver, applicants must return this form signed by their physician or nurse practitioner clearing them to participate in all physical activities at The Citadel during the CSI program. Physical activities include but are not limited to: running, calisthenics, swimming, and intramural sports.

Please return this form with the appropriate signature to csi@citadel.edu or through mail to
