

## PHYSICAL EDUCATION

### FRESHMAN YEAR

#### First Semester

General Biology I  
General Biology I  
Laboratory Composition and  
Literature  
History of Western or World Civilization  
Introduction to Health, Exercise, Sport  
Science, and Physical Education  
Contemporary Health Foundations  
+1st Year Basic  
ROTC First Year  
Seminar

#### Second Semester

Composition and Literature  
History of Western or World Civilization  
Finite Mathematics  
Social Science Core Course  
Found. of Fitness Exercise  
First Aid and CPR (ARC)  
+1st Year Basic ROTC  
Freshman Ethical Fitness Seminar

### SOPHOMORE YEAR

#### First Semester

Human Anatomy and Physiology I  
Human Anatomy and Physiology  
I Laboratory  
Major British Writers  
Elementary Mathematical  
Modeling Motor Development  
Introduction to Teaching P.E.  
+2nd Year Basic  
ROTC Sophomore  
Seminar (may be taken  
either semester)

#### Second Semester

Human Anatomy and Physiology II  
Human Anatomy and Physiology II Lab  
English, American, or World Literature  
Motor Learning  
Accommodating Persons with Disabilities  
within Sport and Physical Activity  
Educational Psychology  
Required Physical Education  
+2nd Year Basic ROTC

### JUNIOR YEAR

#### First Semester

Biomechanical Kinesiology  
Physiology of Exercise I  
Physiology of Exercise I Lab  
Methods of Teaching Individual  
and Dual Sports  
Physical Science (Chemistry or Physics)  
Elective  
+1st Year Advanced ROTC  
Junior Ethics Enrichment Experience

#### Second Semester

Adolescent Development  
Technology in Health, Exercise, Sport  
Science and Physical Education  
Measurement and Evaluation  
Health and Physical Education School  
Curriculum  
Methods of Teaching Rhythmic Activities  
Physical Science (Chemistry or Physics)  
+1st Year Advanced ROTC

### SENIOR YEAR

#### First Semester Child

Development  
Methods of Teaching School Health  
Elementary School Physical Education  
Methods of Teaching Team Sports  
Elective  
+2nd Year Advanced ROTC

Senior Leadership Integration Seminar  
Second Semester

Administration of HESS and PE  
Senior Seminar in HESS and PE  
Internship in Teaching  
+2<sup>nd</sup> Year Advanced ROTC

## SOCIAL STUDIES

### FRESHMAN YEAR

#### First Semester

Composition & Literature  
Elementary Mathematical Modeling  
General Biology I  
General Biology I Laboratory  
Education in Modern Society  
+1st Year Basic ROTC  
Required Physical Education First Year  
Seminar

#### Second Semester

Composition and Literature Finite  
Mathematics General Biology II  
General Biology II Laboratory Approved  
Social Studies Elective General  
Psychology  
+1st Year Basic ROTC Required  
Physical Education  
Freshman Ethical Fitness Seminar

### SOPHOMORE YEAR

#### First Semester

Major British Writers  
Chemistry or Physics Social  
Science Core Course  
Educational Psychology  
History of World Civilization I  
+2nd Year Basic ROTC Required  
Physical Education Sophomore  
Seminar (may be taken either semester)

#### Second Semester

Masterpieces of World Literature I or II  
Chemistry or Physics  
History of World Civilization II Art  
Appreciation  
Adolescent Development  
+2nd Year Basic ROTC Required  
Physical Education

### JUNIOR YEAR

#### First Semester

Learning with Exceptionalities  
Introduction to Sociology  
Survey of American History  
World Geography  
Music Appreciation  
+1st Year Advanced ROTC  
Junior Ethics Enrichment Experience

#### Second Semester

Methods and Materials of Secondary  
School Teaching  
Survey of American History  
Cultural Anthropology History  
Elective  
Approved Elective  
+1st Year and 2nd Year Advanced ROTC

### SENIOR YEAR

#### First Semester

Teaching Reading in the Secondary School  
Social and Cultural History of the  
Non-Western World  
Urban Politics (or Legislative Processes, or  
Southern Politics, or Political Issues and  
Public Policy)  
Principles of Macroeconomics Approved  
Social Studies Elective  
+2nd Year Advanced ROTC  
Senior Leadership Integration Seminar

#### Second Semester

Special Methods in Teaching  
Internship in Teaching

# The Citadel

## Undergraduate Programs Leading to Teacher Certification

**Biology**  
**Chemistry**  
**Modern Languages –  
French, German, or  
Spanish**

## Physical Education

## Social Studies

**BIOLOGY MAJOR**  
Teaching Specialization in Biology &  
Comprehensive/Broad Field Science

**FRESHMAN YEAR**

First Semester

Introduction to Biology I  
Introduction to Biology I Laboratory  
General Chemistry I  
General Chemistry I Laboratory  
Composition and Literature  
Education in Modern Society  
First Year Seminar  
Required Physical Education  
+1st Year Basic ROTC

Second Semester

Introduction to Biology II  
Introduction to Biology II Laboratory  
General Chemistry II  
General Chemistry II Laboratory  
Composition and Literature  
Statistical Methods  
General Psychology  
Freshman Ethical Fitness  
Required Physical Education  
+1st Year Basic ROTC

**SOPHOMORE YEAR**

First Semester

Genetics  
Major British Writers  
Applied Calculus I  
Adolescent Development  
Required Physical Education  
+2nd Year Basic ROTC  
Sophomore Seminar (may be taken either semester)

Second Semester

Cell Biology  
English, American, or World Literature  
Applied Calculus II  
Educational Psychology  
Introduction to Earth Science  
Required Physical Education  
+2nd Year Basic ROTC

**JUNIOR YEAR**

First Semester

Biology Elective  
History of Western or World Civ. I  
College Physics I  
College Physics I Laboratory  
Learning with Exceptionalities  
+1st Year Advanced ROTC  
Junior Ethics Enrichment Experience

Second Semester

Ecology  
Biology Elective  
College Physics II  
College Physics II Laboratory  
History of Western or World Civ. II  
Methods & Materials-Middle & High School  
+1st & 2nd Year Advanced ROTC

**SENIOR YEAR**

First Semester

Biology Senior Seminar  
Biology Elective  
Biology Elective  
Methods and Applications of Science  
Teaching Reading in Middle & High School  
+2nd Year Advanced ROTC  
Senior Leadership Integration Seminar

Second Semester

Special Methods in Teaching  
Internship in Teaching

**CHEMISTRY MAJOR**  
Teaching Specialization in Chemistry &  
Comprehensive Broad Field Science

**FRESHMAN YEAR**

First Semester

Composition and Literature  
General Chemistry I  
General Chemistry I Laboratory  
Applied Calculus I  
Education in Modern Society  
First Year Seminar  
Required Physical Education  
+1st Year Basic ROTC

Second Semester

Composition and Literature  
General Chemistry II  
General Chemistry II Laboratory  
Applied Calculus II  
General Psychology  
Freshman Ethical Fitness  
Required Physical Education  
+1st Year Basic ROTC

**SOPHOMORE YEAR**

First Semester

Major British Writers  
Organic Chemistry I  
Organic Chemistry I Laboratory  
College Physics I  
College Physics I Laboratory  
History of Western or World Civilization  
Educational Psychology  
Required Physical Education  
+2nd Year Basic ROTC  
Sophomore Seminar  
(taken either semester)

Second Semester

World Literature  
College Physics II  
College Physics II Laboratory  
History of Western or World Civilization  
Adolescent Development  
Introduction to Earth Science  
Required Physical Education  
+2nd Year Basic ROTC

**JUNIOR YEAR**

First Semester

Quantitative Analysis  
Biochemistry I  
Intro. to Biology I or Gen. Biology  
Intro. to Biology I or Gen. Biology lab  
Learning with Exceptionalities  
+1st Year Advanced ROTC  
Junior Ethics Enrichment Experience

Second Semester

Physical Chemistry II  
Physical Chemistry II Laboratory  
Intro. to Biology II or Gen.  
Biology II  
Intro. to Biology II or Gen.  
Biology II Lab  
Chemical Literature  
Methods & Materials-Middle & High  
Chemistry Elective  
+1st Year Advanced ROTC

**SENIOR YEAR**

First Semester

Inorganic Chemistry I  
Senior Research I  
Methods and Applications of Science  
Teaching Reading in Middle & High  
General Elective  
+2nd Year Advanced ROTC  
Senior Leadership Integration

Second Semester

Special Methods in Teaching  
Internship in Teaching  
Senior Research II

**MODERN LANGUAGES,  
LITERATURES AND CULTURES MAJOR**  
Teaching Specializations available in French,  
German or Spanish

**FRESHMAN YEAR**

First Semester

Elementary French, Spanish or German  
Communication I  
Composition and Literature  
Biology, Chemistry, or Physics  
History of Western or World Civilization  
+1st Year Basic ROTC  
First Year Seminar  
Required Physical Education

Second Semester

Elementary French, Spanish or German  
Communication II  
Composition and Literature  
Biology, Chemistry, or Physics  
History of Western or World Civilization  
+1st Year Basic ROTC  
Freshman Ethical Fitness  
Required Physical Education

**SOPHOMORE YEAR**

First Semester

Intermediate French, German or Spanish  
Communication  
Major British Writers  
Biology, Chemistry, or Physics  
Elementary Mathematical Modeling  
Social Science Core Course  
Education in Modern Society  
Required Physical Education  
+2nd Year Basic ROTC  
Sophomore Seminar  
(taken either semester)

Second Semester

French, German or Spanish Reading,  
Conversation and Composition  
English, American, or World Literature  
Biology, Chemistry, or Physics  
Finite Mathematics  
Educational Psychology  
Elective  
Required Physical Education  
+2nd Year Basic ROTC

**JUNIOR YEAR**

First Semester

Advanced French, German or Spanish  
Conversation  
Advanced Modern Language approved elective  
Advanced Modern Language approved elective  
Adolescent Development

Elective  
+1st Year Advanced ROTC  
Junior Ethics Enrichment Experience

Second Semester

Advanced French, German or Spanish  
Composition  
Advanced Modern Language approved elective  
Advanced Modern Language approved elective  
Learning with Exceptionalities Methods &  
Materials-Middle & High School  
+1st & 2nd Year Advanced ROTC

**SENIOR YEAR**

First Semester

Advanced Modern Language approved elective  
Advanced Modern Language approved elective  
Advanced Modern Language approved elective  
Advanced Modern Language approved elective  
Teaching Reading in Middle & High School  
+2nd Year Advanced ROTC  
Senior Leadership Integration Seminar

Second Semester

Theory & Practice of Foreign-Language  
Teaching  
Internship in Teaching
